Dated: September 28, 2016

Subject: NOC prior to launching PhD Electronic Engineering.

Dear Sir,

Kindly refer to earlier correspondence on the subject cited above. I am directed to share that on the basis of information provided by the Dawood University of Engineering & Technology Karachi that "PhD Electronic Engineering" is in line with HEC Minimum Criteria for Admission in MS/MPhil and PhD Program. Therefore, HEC has no objection on start of "PhD Electronic Engineering" w.e.f May 02, 2016 by the Dawood University of Engineering & Technology Karachi. Further, HEC QA policies defined in MS/MPhil & PhD criteria and notified from time to time will also be applicable in said program. In particular, the minimum requirement of PhD qualified faculty be maintained at all times.
