REVISED RESEARCH INITIATIVES HONORARIUM POLICY OF DUET, KARACHI

ORIC-DUET proposes a revised remuneration policy for the publication of research articles, book chapters, and books by the faculty members of Dawood University based on Journal Prestige Index (JPI).

Higher Education Commission (HEC) has launched Journal Recognition System (HJRS), which shall be applicable for appointments and promotions. HJRS uses a novel JPI measure which is calculated as a function of a journal's internationally benchmarked and recognized prestige parameters. The relative thresholds, decided by the respective scientific review panel of HEC, on JPI are used to classify Journals into W, X or Y categories. The lowest JPI is zero (0) and highest is hundred (100).

Policy applicability: The policy shall be applied from January 1, 2021.

Scope: Policy is applicable for only DUET researchers. A publication can only be considered for reward when DUET researchers mention affiliation of DUET in the published work. The publications include Research Article published in journals having JPI (Issued by HEC based HJRS), Book Chapters and Books

A) RESEARCH ARTICLES

1. The maximum reward for any JPI publication is as under:

JPI	Amount (PKR)
80 – 100	Rs. 100,000/-
60 – 79	Rs. 80,000/-
40 – 59	Rs. 60,000/-
20 – 39	Rs. 40,000/-
0.1 – 19	Rs. 20,000/-

- a) If the corresponding author is from Dawood University of Engineering and Technology, the amount will only be sanctioned to the corresponding author. The corresponding may or may not distribute the sanctioned among the co-authors of DUET.
- b) If there are two corresponding authors in the publication one from DUET and one from any other university then 50% of the total amount shall be sanctioned to the corresponding with DUET affiliation.
- c) If there are two corresponding authors in the publication and both are with DUET affiliation, then the amount will only be sanctioned to one corresponding author whose name will appear first in the author list of the research paper.
