SDG 17.2.2	DUET's Participation in Cross-Sectoral Dialogues

DUET actively initiates and engages in cross-sectoral dialogue about the SDGs, hosting numerous events and collaborative meetings with government agencies, industry representatives, and non-governmental organizations (NGOs). These initiatives bring together various sectors to discuss sustainable solutions, reflecting DUET's commitment to fostering partnerships that align with global SDG objectives.

Partnership with the Pakistan Nuclear Regulatory Authority (PNRA) for Sustainable Energy and Safety

A high-level delegation from the Pakistan Nuclear Regulatory Authority (PNRA) visited DUET, led by Assistant Director General Mr. Waqas Sherani. The PNRA officials engaged with DUET's academic leaders to discuss collaboration on nuclear safety, energy sustainability, and environmental protection. This partnership emphasizes SDG 7 (Affordable and Clean Energy) and SDG 13 (Climate Action), as it focuses on advancing safe and sustainable nuclear technology through academic-industry dialogue and research initiatives.

Sustainable Cloud Infrastructure and Virtual Desktop Infrastructure (VDI)

DUET hosted an influential conference with key figures from the technology sector, including Sangfor's delegation, represented by Mr. Adnan Siddiqui, Country Head for Pakistan, along with Dr. Samreen Hussain and prominent faculty members. The discussions focused on advancing sustainable cloud infrastructure and reducing the environmental impact of digital data centers, directly contributing to SDG 9 (Industry, Innovation, and Infrastructure) and SDG 13 (Climate Action). The event highlighted DUET's proactive role in promoting sustainable digital practices and enhancing cybersecurity, addressing both academic and industry concerns in cross-sectoral dialogue.

These events and partnerships underscore DUET's dedication to convening diverse stakeholders around SDG-related issues, encouraging collaborative dialogue and innovative solutions in Pakistan's academic, industrial, and regulatory spaces.

Collaboration with Pakistan Railways on Industry and Infrastructure Development

In a significant meeting, DUET's Vice Chancellor, Engr. Prof. Dr. Samreen Hussain, welcomed Mr. Muhammad Nasir Khalily, Divisional Superintendent of Pakistan Railways Karachi Division and a member of the Pakistan Engineering Council (PEC), to explore joint initiatives. This collaboration aims to promote practical learning through student internships and joint projects within Pakistan Railways, leveraging Corporate Social Responsibility (CSR) to address SDG-related challenges in

infrastructure and sustainable transportation. This dialogue embodies the principles of SDG 9 (Industry, Innovation, and Infrastructure) and SDG 4 (Quality Education).
