

**Evidence(s)**  
**THE Impact Ranking 2025**

**University** Dawood University of Engineering & Technology (DUET), Karachi  
**Country** Pakistan  
**Web address** <https://duet.edu.pk/sdgs/>  
**SDG 4.3.2** Community educational events

DUET hosts numerous events that are accessible to the general public, supporting community engagement and knowledge-sharing beyond its enrolled students.

**Technical Seminar on Additive Manufacturing and Reverse Engineering:**

Organized by DUET, this seminar offered attendees, including the public, in-depth knowledge on cutting-edge fields such as additive manufacturing and reverse engineering. Led by expert Taha Nabeel Hayat, the session covered topics like 3D scanning, industry applications, and the future of these technologies, making technical advancements more accessible to the community.

**SESSION ON FIRST AID MEDICAL TRAINING**  
Empowering Lives Through Hands-On First Aid Training

**Medical Skills:**

- How to take Blood pressure.
- How to use Glucometer.
- How to take blood sample.

**First Aid Workshop:**

- Choking
- Rescuing
- CPR

01PM to 02PM  
13th November 2023  
DUET Auditorium  
E-Certificates will be provided

IN COLLABORATION WITH

**First Aid Training Session:**

DUET offered a comprehensive first aid training session. Participants, including non-DUET attendees, learned critical skills such as CPR, injury management, and handling medical emergencies. The DUET Vice Chancellor also contributed valuable insights, underscoring DUET’s commitment to building a safer, well-prepared community.

Through these initiatives, DUET creates valuable learning and training opportunities for the public, fostering a culture of community-oriented education and practical skill development.
